(Address of Premises)

2. I ^{Samantha} ~~page~~ an authorised enforcement officer of the Shared Regulatory Service, an enforcement authority for the relevant local authority for the purposes of the above legislation, consider that you are failing to comply with the obligations imposed on the premises by the Regulations by: (delete as appropriate)

- Failing to take all reasonable measures to ensure that a distance of 2 metres is maintained between any persons on the premises other than 2 members of the same household, or a carer and the person assisted by the carer
- Failing to take all reasonable measures to ensure where persons are required to wait to enter the premises, that a distance of 2 metres is maintained between them other than between 2 members of the same household, or a carer and the person assisted by the carer
- Failing to allow and enable a person who ordinarily works at the premises to isolate for a specified period due to testing positive for coronavirus or having had close contact with somebody who has tested positive, where that person has been required to do so by a notification given by a contact tracer.
- Failing to collect contact information from each person at the premises and retaining it for 21 days for the purpose of providing it to a contact tracer.
- Failing to take reasonable measures to ensure that contact information collected from each person at the premises is correct.
- Failing to provide information to those entering or working at the premises about how to minimise the risk of exposure to coronavirus
- Failing to undertake a specific risk assessment of the risk of exposure to coronavirus at the premises

- Taking to take any other necessary measures which are close to face to face interactions within premises, such as:
 - changed the layout of premises including the location of furniture and workstations
 - restricted the use of entrances, passageways, stairs and lifts
 - restricted the use of shared facilities such as toilets and showers
 - otherwise controlled the use of air systems or any other part of the premises
 - installed barriers or screens
 - provided or required the use of personal protective equipment
- Taking to take the specific measures for retail premises imposed by Regulation 17A, in:
 - a) Measures for controlling entry to the premises and limiting the number of customers at the premises at any one time
 - b) Provision of hand sanitisation products or hand washing facilities for use by customers when they enter and exit the premises
 - c) Measures to ensure any barriers or trays or similar equipment provided for use by customers in the premises
 - d) In order to remind customers to maintain a distance of 2 metres between each other and to wear a face covering:
 - i) Displaying signs and other visual aids
 - ii) Making announcements on a regular basis

3. In my opinion, the following measure(s) are necessary and proportionate in order to ensure you comply with the Regulations:

- Ensure all employees and customers are wearing face masks unless they are exempt
- Signage needs to be put on front of premises in a prominent place in regard to customer who enter needs to wear a face mask, unless they are exempt
