

Application for a permit for crushing and screening brick tile and concrete in mobile plant

Local Authority Pollution Prevention and Control
Pollution Prevention and Control Act, 1999
Environmental Permitting (England and Wales) Regulations 2016

Introduction

When to use this form

Use this form if you are applying for a permit to operate mobile plant crushing and screening brick tile and concrete as defined in Schedule 1 to the Environmental Permitting (England and Wales) Regulations 2016 (referred to in this form as EP Regulations).

The appropriate fee must be enclosed with the application to enable it to be processed further. When complete, send the form and the fee and any additional information to:

Shared Regulatory Services
Bridgend County Borough Council
Civic Offices
Angel Street
BRIDGEND CF31 4WB

Before you fill in this form

Do please read relevant parts of the Defra [general guidance manual](#). You also need to read the relevant [process guidance note](#) PG 3/16(12) to see what standards and requirements are likely to be expected of your installation.

If you need help and advice

Please get in touch with us at the above address if you need any advice on how to set out the information we need.

For the purposes of section G of the form, a relevant offence is any conviction for an offence relating to the environment or environmental regulation.

Copies - *not relevant for e-applications*

If you are submitting a paper application, please send the original and 1 copy of the form and all other supporting material, for consultation purposes.
